...from the ground up.

Pioneer Eclipse®
MASTERS IN THE ART OF FLOORCARE

OUR COMMITMENT TO GREEN

We believe it's important to be kind to the environment. That's why we're continuing to make great strides in producing environmentally-preferable floorcare and cleaning solutions that create a healthier indoor and outdoor work environment for cleaning contractors and their customers. It's why we've developed and continually expanded our EnviroStar Green product line. And it's why we've met or exceeded numerous safety and quality standards for the industry while achieving the following important milestones:

- 2003:** EnviroStar Green Floorcare System received EPA Design for the Environment (DfE) recognition.
- 2004:** EnviroStar Green Sanitation System earned the prestigious Green Seal Certification and EPA Design for the Environment (DfE) recognition.
- 2004:** EnviroStar Green Carpet Care System introduced and recognized by the EPA DfE. Comprised of Extractor and Pre-Spray Cleaner, Extraction Rinse, Soil Release Bonnet Buff, and All Purpose Spotter.
- 2005-06:** Introduced additional EnviroStar Green floorcare products including Low Maintenance, High Solids, and Satin Floor Coatings; and the EnviroStar Green Hard Floor System. In addition, EnviroStar Green Mild Acid and Non-Acid Washroom Cleaners and All Purpose Peroxide Cleaner were introduced and recognized by the EPA DfE.

RESILIENT FLOORCARE

Floor Coating

Delivers deep, wet-look results on initial application. Responds to burnishing with a brilliant gloss.

Non-volatile solids 20%
1.06 US gal. **113MP**
2.50 US gal. **113FS**

HS25 Floor Coating

Excellent wet-look gloss, scuff resistance, and long lasting durability in burnish program.

Non-volatile solids 25%
1.06 US gal. **124MP**
2.50 US gal. **124FS**

Low Maintenance Floor Coating

High gloss coating ideal for infrequent or no-burnish program.

Non-volatile solids 20%
1.06 US gal. **123MP**
2.50 US gal. **123FS**

Satin Floor Coating

Durable coating with satin look for healthcare facilities where gloss is not desired.

Non-volatile solids 16%
1.06 US gal. **125MP**
2.50 US gal. **125FS**

Floor Sealer

Provides a durable foundation for EnviroStar Green coatings on all resilient tile floors.

Non-volatile solids 22%
1.06 US gal. **413MP**
2.50 US gal. **413FS**

HARD FLOORCARE

Hard Floor Coating

A polyurethane-fortified acrylic co-polymer green coating for concrete, stone and similar hard floor surfaces.

Non-volatile solids 20%
1.06 US gal. **128MP**
2.50 US gal. **128FS**

Hard Floor Sealer

Excellent adhesion on concrete and most types of terrazzo, marble and quarry tile.

Non-volatile solids 22%
1.06 US gal. **414MP**
2.50 US gal. **414FS**

Metric Conversion: MP=4 liters; FS=9.5 liters; D=4 liters

FLOORCARE SYSTEM COMPONENTS

All Purpose Cleaner

Easy-to-use all purpose pH 7 cleaner formulated for daily use.

1.06 US gal. **330MP**
2.50 US gal. **330FS**
1.06 US gal. **330D**

Floor Maintainer

Formulated for mop-on and autoscrubber application to restore a brilliant wet-look shine.

1.06 US gal. **213MP**
2.50 US gal. **213FS**
1.06 US gal. **213D**

Dust Mop Treatment

Effectively removes dust and light dirt accumulations.

1.06 US gal. **214MP**

Floor Stripper

Non-corrosive stripper that removes EnviroStar Green sealers and coatings without harsh odors. Will not harm floor.

1.06 US gal. **513MP**
2.50 US gal. **513FS**

All Purpose Neutralizer

Neutralizing solution developed for use where excessive alkalinity may cause adhesion problems.

1.06 US gal. **338MP**

CARPET CLEANERS

Extractor & Pre-Spray Cleaner

Concentrated carpet cleaner for cold water extraction or spray-on application.

1.06 US gal. **831MP**

All Purpose Spotter

Spray-on treatment for removing tough stains and spots from carpets.

1.06 US gal. **833MP**

All Purpose Cleaner

Easy-to-use all purpose pH 7 cleaner formulated for daily use.

1.06 US gal. **330MP**
2.50 US gal. **330FS**
1.06 US gal. **330D**

Glass & Surface Cleaner

Non-solvent, non-streak formula for glass, mirrors, chrome, and other hard surfaces.

1.06 US gal. **331MP**
1.06 US gal. **331D**

Spray & Wipe Degreaser

Removes grease, oils, lipsticks, crayons, etc., super fast.

1.06 US gal. **332MP**
1.06 US gal. **332D**

Soil Release Bonnet Buff

Spray-on carpet cleaner that effectively loosens tough soils.

1.06 US gal. **835MP**

Extraction Rinse

Concentrated neutralizer that brightens carpet appearance and retards re-soiling after cleaning.

1.06 US gal. **838MP**

Mild Acid Washroom Cleaner

Mild acid cleaner for use in bowls and on most washable surfaces for hard water and rust stains.

1.06 US gal. **333MP**
1.06 US gal. **333D**

Non-Acid Washroom Cleaner

Effective non-acid formula cleaner for all washable surfaces.

1.06 US gal. **334MP**
1.06 US gal. **334D**

All Purpose Peroxide Cleaner

Multipurpose cleaner for a variety of washable surfaces.

1.06 US gal. **335MP**
1.06 US gal. **335D**

TRUFIL® DILUTION CONTROL PRODUCTS (DEFINED "D")

Packaged for use as part of the Amano Pioneer Eclipse TruFil Dilution Control System, EnviroStar Green TruFil products offer added benefits of chemical consumption control to ensure optimum product performance without any waste, no-chemical-contact packaging, and color-coded labeling.

Pioneer Eclipse®

ENVIROSTAR GREEN

From the Leader in Green Cleaning

Amano Pioneer Eclipse was the first floorcare company to be recognized for its efforts by both the EPA and Green Seal.

The Design for the Environment (DfE) program created by the EPA promotes the integration of cleaner, smarter, and environmentally preferable solutions into everyday business practices. Amano Pioneer Eclipse green products are DfE recognized, and our primary floorcare components are Green Seal certified.

While we're proud of the DfE recognition and Green Seal certifications, we're even more gratified by our own success in not only making the whole planet safer, but creating a healthier indoor and outdoor environment for cleaning operators and building occupants alike. Typically green products are formulated to meet green standards. At Amano Pioneer Eclipse, we formulate our green products to be as green as they can be without having to sacrifice the product performance we are known for.

Pioneer Eclipse EnviroStar Green Products have been formulated in Partnership with the Environmental Protection Agency's Design for the Environment Program.

When you see this logo, you know that this product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.
