AMANO PIONEER ECLIPSE FACTORY CERTIFIED TECHNICIAN SCHOOL

Our Technician School offers a comprehensive course on propane equipment. The curriculum is designed to provide a working knowledge of all Amano Pioneer Eclipse floorcare equipment.

Taught by expert Amano Pioneer Eclipse technicians, the School covers a variety of routine maintenance and service related subjects.

The **Propane Class** begins with basic four-cycle engine theory and expands into performing tune-ups, regulator fuel systems, tearing down and rebuilding engines, machine adjustments, special tools, and more. The class is designed to help technicians keep Amano Pioneer Eclipse equipment running at peak efficiency.

Students are tested at the end of each course. Those passing the test are awarded a certificate recognizing their achievement.

WHAT YOU SHOULD KNOW ABOUT OUR TECHNICIAN SCHOOL
